SECTION 12: REDUCE YOUR PREMIUM (BODY CONDITION SCORE)

Body Condition Score

What is this?

We encourage a long and healthy relationship with your pet. This is why we introduced a Body Condition Score rewarding responsible pet ownership. The Body Condition Score is determined using a known method of evaluating body composition using the appearance and feel of the animal to assess body condition. If the Body Condition Score indicates that the body condition of your pet is in an ideal range you will qualify for a discount.

How do I qualify?

By following the easy steps below:

Step 1: Login to your customer portal

Step 2: Select [edit Body Condition Score](#)

Step 3: Submit the details of the vet who will be inspecting your pet

Step 4: Take your pet to the vet for physical inspection and ask your vet to complete the Body Condition Score Digital Form via the link we provide.

Once the vet completed the digital form via the link shared, we will do the rest. Depending on your pet's Body Condition Score you might qualify for a discount on your next monthly premium payment.

Things to be aware of

- ! The Body Condition Score Digital Form needs to be completed by a vet and can only be accessed by the link shared.
- ! The discount will be applied going forward from the next possible cover month (you will be notified).
- ! The applicable discount will be valid for a period of two years after which a new Body Condition Score will need to be submitted for re-assessment.

SECTION 13: MAKE A CLAIM

How to make a claim

The quickest way to make a claim is to follow our claim procedure, which can be accessed on Frank's website: www.frankpetinsurance.co.uk/how-to-claim.

What happens next

Once Frank has all the necessary information, your claim will then be processed by the claims team. To make the process as seamless as possible you will need to provide Frank with any information and documents relating to the claim that have been asked for, and agree that Frank has permission to ask the vet or therapist for any relevant information needed.

Things to be aware of

- ! In the rare instance where the vet is not completing the digital claims form timeously, we might request your assistance in following up with your vet directly.
- ! Any claims where additional information is requested either from you and/or the vet will be placed on hold pending receipt of the information requested 30 days after the claim submission date. If the requested information is not received after an additional 90 days we reserve the right to completely withdraw the entire claim.
- ! For any claims or notification of a potential claim under the Public Liability section these must be made to us immediately.

SECTION 14: MAKE A COMPLAINT

How to make a complaint

- ! The quickest way to get matters resolved is to follow our complaints procedure, which can be accessed on Frank's website: www.frankpetinsurance.co.uk/complaints.
- ! Failing that you can always also contact us at complaints@frankpetinsurance.co.uk.
- ! If you are still not happy with our internal feedback and we have issued you with a final response letter, you can refer your complaint to the Financial Ombudsman Service, free of charge. You must do so within six months of the date of receiving our final response letter. If you do not refer your complaint in time, the FOS will not have our permission to consider your complaint and so will only be able to do so in very limited circumstances (for example, if the FOS believes that the delay was as a result of exceptional circumstances).
- ! Further details regarding the FOS can be obtained from their website at www.financial-ombudsman.org.uk. Alternatively, the FOS may be contacted in the following ways: POST - The Financial Ombudsman Service, Exchange Tower, London, E14 9SR; PHONE - 0800 023 4567; or EMAIL - complaint.info@financial-ombudsman.org.uk.

SECTION 15: RENEW OR AMEND YOUR POLICY

How to renew your policy

Frank will contact you by email at least 27 days before your renewal date with the full details of your premium, contributions, policy coverage and Terms and Conditions for the next policy year.
- ! When inviting renewal of this policy we may, at our sole discretion (and for a valid reason as we deem appropriate, taking into consideration, but not limited to your pet's age, medical and/or claims history) change the cover, benefits, premium, terms and/or conditions.
- ! You understand premiums may increase at renewal due to things like ever-increasing veterinary costs, pets getting older amongst other factors.
